FINE CLOTH MADE IN ITALY

Perennial.

The Vitale Barberis Canonico Perennial collection is our global best-seller, a range that combines traditional style and elegance with a unique degree of wearability.

These cloths are textured to make them comfortable much of the year around and the designs are timeless classics, making them truly "Perennial". The collection includes elegant pick and pick weaves, classic fancies for suiting, as well as plains for trousers to accompany blazers and sports jackets.

This collection will be available from Winter 2020/2021 until Summer 2022 inclusive, and we will accept orders up to October 2021.
